

The Tommies Manual 1916

By Hannah Holman

Amberley Publishing. Paperback. Book Condition: new. BRAND NEW, The Tommies Manual 1916, Hannah Holman, What is the best way to advance across No Man's Land? How do you design and excavate a front line trench? How did you fire the most commonly used artillery gun, the 18-pounder? What chemicals and in what quantities were needed to bury the dead? An amazing array of leaflets, books and manuals were issued by the War Office during the First World War to aid British soldiers on the Western Front, here for the first time they are collated into a single book. Most were supremely practical or highly technical; others became obsolete almost immediately, overtaken by technological advances, whilst others hid the grimmest reality of war behind a prosaic title. All make fascinating reading. In addition there were a small offering from commercial publishers, marketed at soldiers' loved ones to buy and post off to the front to help their Tommy survive life on the Western Front. Includes over 40 period illustrations.

Reviews

This ebook is wonderful. I have got go through and so i am certain that i am going to likely to read through once again again later on. You will like the way the article writer compose this ebook.

-- **Miss Ariane Mraz**

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).
