Inner Traditions Bear and Company. Paperback. Book Condition: new. BRAND NEW, Dreamways of the Iroquois: Honouring the Secret Wishes of the Soul, Robert Moss, The ancient teachings of the Iroquois people is that dreams are experiences of the soul in which we may travel outside the body, across time and space, and into other dimensions - or receive visitations from ancestors or spiritual guides. Dreams, also, reveal the wishes of the soul, calling us to move beyond our ego agendas and the web of other peoples projections into a deeper, more spirited life. They call us to remember our sacred contacts and reclaim the knowledge that belonged to us, on levels of soul and spirit, before we entered our present life experience. In dreams we also discover where our vital soul energy may have gone missing - through pain, trauma or heartbreak - and how to get it back. Robert Moss was called to these ways when he started dreaming in a language he did not know, which proved to be an early form of the Mohawk Iroquois language. From his personal experiences, he developed a spirited approach to dreaming and living that he calls Active Dreaming. Dreamways Of The Iroquois is at once a spiritual odyssey, a tribute to the deep wisdom of the First Peoples, a guide to healing our lives through dreamwork, and an invitation to soul recovery.
