HANNIBAL: PRIDE OF CARTHAGE

[DOWNLOAD](#)

Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, Hannibal: Pride of Carthage, David Anthony Durham, In ancient Rome, parents used to silence misbehaving children with the utterance 'Hannibal ad portas' (Hannibal is at the door). Such was the fear and awe that Hannibal Barca instilled. Told in arcing, epic technicolour, this is the story of one of the ancient world's most remarkable figures and the long, bloody conflict between the two 'superpowers' of the times - the Second Punic War (218-202BC) - that hinged on the genius, the ambition and the personal tragedies of Hannibal Barca of Carthage, whose military prowess became the stuff of legend, and Publius Scipio of Rome. History, of course, tells us the outcome: that Rome would be the victor, surviving to become a colossal imperial power, while Carthage would be all but erased from history. It was, however, a close run thing. And the world might have been a very different place had Hannibal succeeded in thwarting the might of Rome. PRIDE OF CARTHAGE is a sweeping, thrilling story of ancient warfare, of armies traversing frozen snow-covered mountains, of battles won or lost by brilliant generals fighting in ingenious, cunning ways. And it's a story teeming with superbly drawn, memorable characters and players, historical and imagined - from Numidian horsemen and the Roman legions to the slaves and freemen from all corners of the ancient Mediterranean world.
