Reviews

This publication is definitely not simple to begin on studying but really exciting to read. It is actually rally fascinating throgh reading time. Your life span will be enhance when you complete looking at this publication.

(Laurence Littel)

GROUPE DANONE

Alphascript Publishing. Taschenbuch. Book Condition: Neu. Neuware - Groupe Danone, known as Dannon in the United States, is a French food-products multinational based in Paris. It claims world leadership in fresh dairy products, marketed under the corporate name, and also in bottled water. In 2007 it swapped its world number 2 position as producer of cereals and biscuits for the same position in baby foods, having sold the biscuits division to Kraft Foods and acquired Numico. Besides the Danone/Dannon brand of yoghurts, the company owns several internationally known brands of bottled water: Volvic, Evian, and Badoit. About 56% of its 2006 net sales derived from dairy, 28% from beverages, and 16% from biscuits and cereals. Danone owns many water brands worldwide. In Asia, it has acquired Yili, Aqua (Indonesia), and Robust (92%), and has a 51% holding in China's Wahaha Joint Venture Company, giving it a total market share of 20%, making it the leading vendor of packaged water in Asia. 72 pp. Englisch.
