Eraserhead Press, United States, 2012. Paperback. Book Condition: New. 211 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****.A surreal sexual nightmare by cult bizarro author Carlton Mellick III. In a dark future where males have become extinct, humans are forced to breed with factory-manufactured living fuck-toys that possess an abundance of both male and female sex organs. One such creature is adopted by a warrior dominatrix named Celsia, who is trying to have a baby. But once she takes her new merchandise home, things don't quite go as planned. Wild tribes of rapists, women with multiple vaginas covering their bodies, sex tournaments, erotic mutilation, and a giant vagina possessing the secrets of the universe, this is one ugly perverted hell of a world. Told in Mellick's early schizophrenic prose style, *Razor Wire Pubic Hair* is like postmodern minimalistic art mixed with Japanese guro porn.
