From the Halls of Montezuma To the shores of Tripoli; We fight our country's battles in the air, on land, and sea; First to fight for right and freedom And to keep our honor clean; We are proud to claim the title Of United States Marine. On February 23, 1945, one of the most famous photographs in American history was taken atop Mount Suribachi, as five American soldiers began to raise an American flag. The picture, which most Americans are instantly familiar with, has come to symbolize the strength and sacrifice of America's armed forces, and though many realize it was taken during the Battle of Iwo Jima, much of the actual battle and the context of the picture itself have been overshadowed. The Battle of Iwo Jima, code name Operation Detachment, is more of a misnomer than anything. It was fought as part of a large American invasion directed by steps toward the Japanese mainland, and it was more like a siege that lasted 36 days from February-March 1945, with non-stop fighting every minute. In fact, the iconic flag-raising photo was taken just four days into the battle, and as that picture suggests, the battle was not a pristine tactical event but an unceasing horror with no haven for protection. As veteran and author James F. Christ put it in the foreword of his exhaustive study of the action, it is carnage, that is what Iwo was, the Gettysburg of the Pacific. Iwo Jima defined the classical amphibious assault of the World War II era, as much...
