Shepherd-Walwyn (Publishers) Ltd, United Kingdom, 2005. Hardback. Book Condition: New. 210 x 152 mm. Language: English . Brand New Book. The third essay looks at the rule of law with reference to the American Declaration of Independence, the English approach, Blackstone s Commentaries, the French Revolution and modern attitudes. The fourth essay discusses the unnecessary conflict between Philosophy, Science and Religion and tries to show how they could support each other. The fifth essay deals with money and banks, explaining how money...
