crimes du futur

By Blanchart, Jerome

PREMIER PARALLELE, 2016. Paperback. Book Condition: NEUF. Quel sera le visage des criminels et des terroristes de demain ? Notre présent et notre futur proche, marqués par une exubérante floraison technologique, leur laisse le choix des armes. On ne trouve pas encore d'uranium sur eBay, mais il est possible d'y acquérir, à vil prix, de quoi se constituer un coquet repère de savant fou. Il est plus facile aujourd'hui pour un aspirant terroriste d'apprendre à bricoler le vivant en toute discrétion que de prendre des cours de pilotage pour diriger un avion sur le World Trade Center. Et si aucun assassinat par piratage de pacemaker ne s'est encore produit dans le monde réel, les experts en sécurité informatique sont formels : c'est déjà possible. Bombes bactériologiques, narco-drones, armes à feu non traçables imprimées en 3D, et surtout, exploitation des innombrables traces que nous laissons chaque jour sur la Toile. Jérôme Blanchart livre un aperçu des crimes de demain en forme de dystopie joyeuse et inventive - mais toujours scientifiquement rigoureuse. Un portrait acéré de la société qui sera bientôt la nôtre, et à laquelle nous devons nous préparer. - Nombre de page(s) : 176 - Poids : 222g - Genre : Essais...
