Reviews

This publication is wonderful. I have got study and so i am confident that i am going to likely to read once again once more down the road. Its been designed in an exceedingly straightforward way which is only soon after i finished reading this ebook by which actually altered me, change the way i think.

Outskirts Press, United States, 2010. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.As soon as young professionals and entrepreneurs finish school and/or training they are launched out into a world full of experienced competitors that have been doing this thing called practice and business far longer than they have. They have already had the benefit of experience and time to help shape and solidify their businesses that newcomers don t. Wouldn t it be absolutely amazing if you could have an experienced and successful practitioner and businessman who was willing to hang out in your office with advice for every turn? Well, you do! A Running Start For Your Practice is written and designed to be the mentor and advisor that you need by your side each step of the way to see your vision through to reality. There is so much information that you need to know and understand and a multitude of steps that need to be taken to build a foundation for your business and practice which will give you the best possible chance for continued success and growth. You truly need someone who can and will lead you through each process step-by-step. This book is that someone. New practices have enough issues that must be dealt with from the beginning in this dynamic healthcare climate that we work in without having to start cold turkey into business at the same time. Unfortunately, you can t separate the practice from the business. Therefore, you are going to need help with all the pieces that must fit together for success. In this book you are going to learn how to evaluate and know yourself so that you have a context for making decisions such as what type...
