JOBY S WAR

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Jonathon Bernard Fulbright was born in the year 1893 in a village in rural southern England. At infant school he was known to friends and teachers alike as Jo. That is, until a new boy, Jonathon Thomas Wilkins, another Jo, moved into the area. In the horrific confusion of total war he was, for reasons unknown, taken to a French-run forward dressing station and then on to a French military hospital. It was here, while slowly recovering from his injuries, he met the woman who was to become the one and only true love of his life, a young French nurse named Delphine. And although they were to know each other only for a few short weeks before parting forever, his love, down the...
