Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

There is still nothing there. Is anybody there? No one answers. It is completely silent. All I can hear is my breath. I begin to feel sobs rise inside of me. I hold them down. I don t have time to break. I have to figure out where I am. I have to figure out how to escape this place. MY FRIENDS IN THE SKY Lying on this soft green grass my mind wonders what new shapes and objects I will discover. The sky is bright blue and as clear as a bell. I hope I see my floating friends today. My eyes reach high into the sky patiently waiting for them to emerge....
