

What You Must Know About Thyroid Disorders What to Do About Them: Your Guide to Treating Autoimmune Dysfunction, Hypo- and Hyperthyroidism, Mood. Loss, Weight Issues, Celiac Disease More

By Pamela Wartian Smith MD

Square One Publishers, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. It is estimated that one in twenty people have a thyroid problem, with the majority of sufferers being women. To make matters worse, many who are affected by thyroid dysfunction are unaware that they have a problem, and typically, they go undiagnosed for years. In the meantime, they experience a variety of symptoms, including fatigue and weight gain or loss, forgetfulness, sleepless nights, irritability, and more. But it doesn't have to be that way. Written by best-selling author Dr. Pamela Wartian Smith, *What You Must Know About Thyroid Disorders What to Do About Them* enables readers to identify common thyroid problems and seek the treatment that they need. Written in easy-to-understand language, the book begins by explaining how important the thyroid is in regulating the body's metabolism, which, in turn, plays a vital role in controlling the functions of the heart, brain, liver, lungs, kidneys, and intestines. It then goes on to discuss the most common thyroid-related disorders and symptoms, including hypothyroidism, hyperthyroidism, autoimmune dysfunction, celiac disease, thyroid cancer, mood swings, and excess weight gain. Each discussion starts...

Reviews

A top quality publication along with the font used was intriguing to read. I really could comprehend everything using this written e book. Its been designed in an remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.
