Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from French Forest Ordinance of 1669: With Historical Sketch of Previous Treatment of Forests in France The Celebrated Forest Ordinance of 1669: Such is the character and designation generally given at the present day to the Ordinance in question. It is known, by reputation at least, in every country on the Continent of Europe; but, so far as is known to me, it has never before been published in English dress. It may possibly be considered antiquated; but, on its first promulgation, it was welcomed, far beyond the bounds of France, as bringing life to the dead; and I know of no modern system of Forest Exploitation, based on modern Forest Science, in which I cannot trace its influence. In the most advanced of these - that for which we are indebted to Hartig and Cotta of Saxony - I see a development of it like to the development of the butterfly from what may be seen in the structure of the chrysalis; and thus am I encouraged to hope that it may prove suggestive of beneficial arrangements, even where it does not detail what may be deemed desirable to adopt. In my translation I have followed an edition issued with Royal approval in 1753, with one verbal alteration to bring it into accordance with certain older approved editions, and with another verbal alteration to bring it into accordance with editions issued in 1699, 1723, 1734, and 1747. A similar volume on the Modern Forest Economy of France is being prepared for the press. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
