Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

U.S. POSTAL SERVICE: MODERNIZATION AND RESTRUCTURING NEEDED TO ADDRESS FINANCIAL CHALLENGES: GAO-11-428T

BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 22 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. The U. S. Postal Services (USPS) financial condition and outlook are deteriorating because revenues are not sufficient to cover its expenses and financial obligations. These challenges continue to threaten USPSs financial viability and GAO has therefore retained USPS on its high risk list issued in February 2011. USPS also faces cost pressures from maintaining a national network of processing, retail, and delivery operations. This testimony discusses (1) updated information on USPSs financial condition and outlook and (2) actions needed to modernize and restructure USPS. It is based primarily on GAOs past and ongoing work, as well as GAOs review of USPSs recent financial results and the Presidents proposed budget for fiscal year 2012. This item ships from La Vergne, TN. Paperback.
