CINEBOOK: The 9th Art Publisher, Canterbury, 2015. Paperback. Book Condition: New. 1st English Edition. 56pp Suitable for: 12+ years. [In stock in Australia NOW, for immediate delivery] The Confederation is on the brink of civil war! After fleeing Confederate space, Caleb and Mezoke are hiding among a community of exiles disgusted by the corruption and violence infecting the galactic government. Caleb is recovering slowly, just as Angus, the living ship, is doing on a different world. But a powerful, dangerous psychic link seems to exist between them, and all are actively hunted by both the authorities and a terrorist group. When running ceases to be the answer, the only option left is resistance . Key Points: *Illustrator Pellé creates a dense, detailed universe with much attention given to architecture, spaceship design and numerous extraterrestrial races *The colouring is reminiscent of Enki Bilal's The Beast Trilogy *The series is comprised of independent stories running over two volumes, linked together into an over-arching narrative *Orbital has been listed in the 2011 Texas Library Association Maverick Graphic Novel List and, Orbital 1: Scars and Orbital 2: Ruptures were included on the American Library Associations' YALSA [Young Adult Library Services Association] 2010 Great Graphic Novels for Teens selection list.
