OVERCOMING: ALONE AGAINST THE WORLD

"All the East and West were my bread and fame
enemies who restricted my nature to a limited,
landlocked, dry and desert area and caused a
million of my people as nothing to a single
individual of their own. They appropriated the
immensity and prosperity of the nature to
themselves. In addition to denying my natural
right of immunity, they ignored me from
their boasting slogan of their grandstanding,
exhibitory asylum granting."
