

Petroleum and Natural Gas in Oklahoma

By Luther Crocker Snider

Rarebooksclub.com, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1913 Excerpt: .value will be still greater than in 1912. So far (July) the pipe line runs for each month have shown an increase over the corresponding month in 1912. The statistics of production for the different pools are given, so far as they are available, under the discussion of the pools. However, it seems best to give in this connection the three tables following, since they deal with the State as a whole and supplement the notes already made on the history of the field. TABLE SHOWING PRODUCTION, VALUE, ETC., OF PETROLEUM IN OKLAHOMA, 1900-1912. TABLE SHOWING TOTAL AND AVERAGE INITIAL PRODUCTION OF NEW WELLS IN OKLAHOMA, 1905-1912, IN BARRELS. Total initial Average initial production production 1905 111,390 54.1 1906 161,286 71.1 1907 459,862 131.7 1908 214,152 87.1 1909 206,454 75.3 1910 226,638 71.1 1911 262,333 79.6 1912 228,886 48.6 VII. DESCRIPTION OF THE MAIN OIL AND...

Reviews

This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.
