

A Student s Workbook for Mathematics in Class 8

By Jamie York

FLORIS BOOKS, United Kingdom, 2016. Paperback. Book Condition: New. 297 x 210 mm. Language: English . Brand New Book. Experienced maths teacher and consultant Jamie York believes that a love of learning comes through the teacher, so his books are committed to supporting teachers in developing their classroom skills and to fostering a love of maths in their students. Unlike conventional maths textbooks, his books are not full of fancy graphics and contrived ways to make maths fun. Rather, they: -- focus on the essentials, so teachers aren't overwhelmed by endless lists of required materials -- are genuinely interesting and challenging, sparking students enthusiasm for learning maths -- are developmentally appropriate to the age of the child, thereby encouraging inner mathematical awareness and thinking -- favour depth over superficiality, to avoid teaching blind procedures to solve meaningless problems. Note that the Floris Books editions of Jamie York s books have been completely revised for UK and European notation, language and metric systems. They are also suitable for use in South Africa, Australia and New Zealand. This student s workbook for Class 8 contains practice questions, with room for working, on all the topics a student needs to cover in...
