

New Grade 9-1 GCSE Combined Science: Chemistry Complete Revision Practice with Online Edition

By CGP Books

Coordination Group Publications Ltd (CGP), United Kingdom, 2016. Paperback. Book Condition: New. 295 x 210 mm. Language: English . Brand New Book. This CGP Complete Revision Practice book covers every key Chemistry topic from Grade 9-1 GCSE Combined Science. Everything is explained with clear, easy-to-read study notes, examples and diagrams, with brilliant coverage of the new required practicals, maths skills and Working Scientifically. There is also a huge range of practice questions and exam-style questions in every section (with answers included at the back), plus plenty of useful advice for scoring top marks in the final exams - and the book is rounded off with a realistic Chemistry practice paper. We've even included a code that gives you access to a free Online Edition of the whole book! For complete coverage of the course, separate CGP Complete Revision Practice books are available for Combined Science Biology (9781782945925) and Physics (9781782945949).

Reviews

I actually started looking over this publication. It really is really interesting through studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You won't really feel monotony at any moment of your time (that's what catalogues are for concerning when you ask me).
