Createspace Independent Publishing Platform, United States, 2008. Paperback. Book Condition: New. 201 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****. Would you like to laugh cover to cover? Shortly after the terrorist attacks of September 11, when there was a collective depression in the US, this author felt we needed something uplifting. So, he began asking thousands of people a simple question: When was the time you laughed the hardest you ever laughed in your life? The result is this book of actual, true-life, hilarious stories. The author had quite an adventure collecting people s funny stories in subways, in airports, in taxis, at parties, on airplanes, at work dinners, at conferences, in doctors waiting rooms, in hair salons, and so on. In addition to laughing, you will: learn why you should take your skis off before going to the bathroom; learn how not to talk to a police officer; take comfort that there are people in this world who are more clueless than you; see why you really should be nicer to the people you work with; and, understand why it s not a good sign when a bird lands in your hair.
